PROFESSIONAL SUMMARY

Frontend Engineer with 3+ years of experience building responsive, scalable web applications using React, Next.js, TypeScript, and modern JavaScript. Strong focus on UI implementation, API integration, and component-based architecture. Experienced working in agile, cross-functional and international teams. Background in analytical problem-solving with a product-oriented mindset.

PROFESSIONAL EXPERIENCE

Frontend Web Developer

Nuromedia GmbH – Cologne, Germany | Mar 2025 – August 2025

- Developed and maintained frontend applications using React, Next.js, Vue.js, and TypeScript, delivering responsive and accessible user interfaces for gaming and healthcare projects.
 - Implemented reusable UI components, layouts, and state management patterns, improving code maintainability and feature scalability.
 - Integrated frontend applications with backend services and APIs, ensuring reliable data flow and consistent user experience.
 - Collaborated closely with UX/UI designers and backend developers in an agile (SCRUM) environment, participating in sprint planning, reviews, and refinements.
 - Contributed to projects involving emerging technologies (VR and AI integrations at UI level), focusing on frontend performance and usability.
- Tech Stack:** React, Next.js, Vue.js, Nuxt.js, JavaScript, TypeScript, HTML5, CSS3, Git, GitHub, Jira, SCRUM

Full Stack Developer

Mawoo Pets – Delaware, USA (Remote) | Jun 2022 – Jun 2024

- Designed and implemented frontend features for a web platform serving 10,000+ active users, using React and Next.js.
- Built user interfaces, forms, and data-driven views, consuming REST and GraphQL APIs and improving overall UX consistency.
- Improved application efficiency and feature delivery through clean component architecture and reusable code patterns.
- Collaborated with product managers and designers to translate business requirements into functional frontend solutions.

Tech Stack: JavaScript, React.js, Next.js, HTML, Sass, Node.js, GraphQL, MySQL.

Independent Financial Consultant

DERCON SRL – Misiones, Argentina | Apr 2020 – Jun 2021

- Conducted financial analysis to identify cost savings and revenue growth opportunities.
- Developed strong analytical, problem-solving, and data interpretation.

EDUCATION

Full Stack Web Developer Bootcamp

Soy Henry – Buenos Aires, Argentina | Sep 2021 – Jan 2022

- Completed an intensive 800+ hour bootcamp.
- Worked on real-world projects in agile teams, applying best practices in frontend and backend development.

Bachelor's Degree in Public Accounting

National University of Misiones – Argentina | Mar 2015 – Feb 2020
